## **The Hotel**

Only about 500 metres from S-Bahn station, the S8 will take you to Munich airport in just 20 minutes, or the Marienplatz in the city centre - conveniently and without any stress searching for a parking space.

Nearby parking spaces, as well as an underground car park are provided for our guests free of charge.

The Hotel has a breakfast room, bar, lobby and a small front garden. In the public areas, we offer our guests free Internet access. During the summer months the front garden invites you to relax.

Pets also welcome guests. On request, we provide a basket and food bowl as well as half board for our four-legged friends. Should you be in Munich for business or pleasure for a longer period of time, we offer special terms for long-term guests. We look forward to welcoming you to our hotel soon.

We would like to inform you that the Kent Hotel will be renovated at the end of the year, and that we will give it a complete new look&feel. Even the name of the hotel will change. You will find information about the progress of this project under "News" on our homepage.
